November 14, 2015 - Install the app on an earlier version of iOS or OS X. Looks like no one answered for a while. To start the conversation again... For a while now I've been under the impression that you guys are doing a great job of allowing users to submit product feedback to help improve the quality and

---

experience. But when I noticed that you still haven't received any feedback on your latest iPad Pro product, I couldn't help but feel a little disappointed. My own iPad Pro (and another, older one) was purchased over two years ago.
