Although the film was not well received by critics who compared it to "Indiana Jones" and "The Da Vinci Code," the reaction from audiences was positive and the film grossed over \$100 million worldwide. It was also commercially successful, eventually selling 3 million copies of the film. The first day of the film's UK box office: October 25-26, 2004. By the end of the box office, the film had earned 9 million pounds (\$10 million) and grossed almost as much as the 2004 film
