As a basic overview of the Suicide Squad, let's go over some basic Suicide Squad Facts: 1. The Suicide Squad is a group of supervillains held by the United States Government who are created to assassinate high profile targets; those who the public want dead, but whom the government wants alive. A good example of this is Hitler. The late singer became the latest cultural icon to be mourned on social media on Saturday as celebrities paid tribute to a man who died aged 55 on Friday night. A post written by a friend of Lennon, who asked to remain anonymous, describes a very troubled man who made many friends through music and had a short, but very happy life. Darlene McCreary said she first met Lennon in 1987 when he came to pick up his then-girlfriend, Annie Leibovitz, at Miami International Airport on the day of their engagement. He had been on the phone with his then-girlfriend Yoko Ono, who later divorced him, and he was in an unstable mood." 3e33713323
