The activate method causes the Metasploit Pro installation to try to perform an online activation using the previously registered product key and the specified ... Question | 0 Replies | 981 Views | Created by HookyVV - November 9, 2019, 18:45 I did download all the .exe files. I installed the software and it says that it's activated. I went to the settings and it says that the code is used to activate the software. But ... Question | 0 Replies | 1294 Views | Created by Rasmussen - November 9, 2019 15:03 I have a windows 10 Pro key, I want to activate it, but the software says it is not activated. I cannot use the software. Thanks in advance.
