The farming simulator Red Tractor Tycoon is about a cute tractor, harvesting machines, and that simple thing: have a nice time! Follow the best-selling storyline in the game: Flourish your farm with all sorts of animals and plants. Produce the best of the best for your customers and become the best farmer on the market. Red Tractor Tycoon will be released in two parts: Flourish and Develop. In Flourish, you buy lots of animals and plants, build a basic farm with a barn and a stable. Grow fields and water the entire farm. Should you face a problem, you'll know who to call: Your farm manager! The second season of Red Tractor Tycoon is a

---

challenging simulation where you expand your farm and collect money to invest into further equipment and buildings. Farm lands are shrinking due to the development of neighbouring farms. You need to expand, build, and expand again if you want to be the best farmer on the market. In Red Tractor Tycoon, you can earn money by selling your harvest, or by renting out your farm buildings to other farmers. You'll find different buildings to buy and they all have their advantages and disadvantages.

Features: Key Features • Storyline with a happy ending - Cutest tractor and farming sim to date • Buy and sell your entire farm and far out buildings • Collect lots of money, but have you're economy to keep the machines running • Farm manager to help you during all stages • Animal breeding - Milk cows, pigs, and chickens • Grow lots of vegetables, plants, and flowers • Harvest and sell your crops • Experience a full-featured farming

---

simulator • Completely free – no purchases necessary Red Tractor Tycoon – Manage Your Own Farm Be it wheat, corn, or carrots – you’ll plant all sorts of crops on your hex field map in this crazy tractor game. Of course, there are also plenty of animals to keep and breed. Extensive production chains will allow you to process your resources into tasty products such as pancakes, apple sauce and popcorn. That’ll bring in loads of money too, which you can wisely invest in new products or research. There are no limits to your fantasy in Red Tractor Tycoon. Give your creativity free rein and explore the world how you see fit. Which path you choose and how you go about it is all up to you! Features: Flourish Gameplay Steer c9d1549cdd

**FM3.53A / 1gp / Bilevel (-500f / 1000f)Saber at long range Required Melee Level: 14Range: 5Cooldown: 12 / 10 Cost: 19 / 3 Ranged units will stop firing when the user's weapon stops Required Melee Level: 5Firing Range: Melee / Spearmount / Sabre at long range Required Melee Level: 14Range: 5Cooldown: 12 / 10 Cost: 34 / 4 When the user is riding a mount, the range for the attack is increased by +100%. The user may jump at the start of the attack, increasing the range by an additional 100%. The user may do this up to 5 times, increasing the range by 100 for each jump. The user can also run quickly to increase the range by an additional 100%, up to a maximum of 5 times. The user can increase the range of the attack by stopping the horse in place, similar to the Quick Draw move. The user can also throw a spear, which deals the same amount of damage as the attack and hits for Piercing damage. The spear has a long range and a small range however if it was to hit the rider of a mount at long range he would be sent to the ground by the force. Gait: Upon making an attack**

---

that hits an enemy, the user goes into "Sabre Dance" motion. The animation changes the user to go from their currently facing pose, to a half-dancer, with their sabre held in their left hand and their right hand doing a thumbs up gesture in a fighting pose. The user's sabre flies towards the enemy at a high speed, striking the enemy once. Ranged units will stop firing when the user's weapon stops. When the user is riding a mount, the range for the attack is increased by +100%. The user may jump at the start of the attack, increasing the range by an additional 100%. The user may do this up to 5 times, increasing the range by 100 for each jump. The user can also run quickly to increase the range by an additional 100%, up to a maximum of 5 times. The user can increase the range of the attack by stopping the horse in place, similar to the Quick Draw move. The user can also throw a spear, which deals the same amount of damage as the attack and hits for Piercing.
