Fantasy RPG: Rise, Tarnished, Become an Elden Lord in the Lands Between [Story] [System] [Fantasy] [RPG] [Action] [Summary] By Hiramatsu THE ELDEN RING is the new fantasy RPG developed by Silver Spoon Games, the same developer of the acclaimed visual novel Maid Latte. Set in an alternate world, where the most powerful magic item known as ‘Ring’ has been discovered. Here in this unique world, a story is born from a myth told by multiple characters with the detailed expression of each character allowed. As you progress in your story, you will be called upon to decide your own path and interact with others in your quest to become an Elden Lord. Don’t you want to build your own character and experience something you’ve never seen before? In this RPG, the decision to choose your own path and receive your own identity is everything! This exciting story based on an original myth will give players lots of questions and have players develop their own thoughts and feelings in ways not experienced before. Something that can only be experienced through the ‘Shooting Star’ or ‘RPG Field’! The Elden Ring is the new fantasy RPG with a strong narrative that can be experienced only through action! In this world, the strength of the world, “The Lands Between”, stands in the balance! (From the website) The Lands Between The Lands Between, the world of the Elden Ring, is a strange and vast world that’s the body of an ancient dragon. In this vast world, there are five different continents and hundreds of different islands. The Elden Ring, a ring with the power to give life to others, is the most powerful item in the world. The ten Royal Families are the people who govern the different bff6bb2d33
