Win Mac..Deep (Neko Case album) Deep is the fourth studio album by American indie rock musician Neko Case. It was released on March 11, 2009 by the band's own label, Antenna Farm, and distributed by Mint Records. This album was recorded in August 2008 at the Magnetic Fields Record Building in Fort Greene, Brooklyn, and at Chicago's The Bomb Shelter. Case said of the album's title: "It's actually taken from a translation of the subtitle of a book I'm reading at the moment. It's a book of Rumi poems, and I was struck by his image of a lot of people existing at a depth of their own making. You know what I mean? Like 'deep' and 'deep.' Like a dog with a bone." Reception Deep received mostly positive reviews from critics. At Metacritic, which assigns a normalized rating out of 100 to reviews from mainstream critics, the album received an average score of 79, based on 28 reviews, which indicates "generally favorable reviews." In 2009, Q Magazine included the album in their list of the "Top 20 best albums of the year", calling it "a heart-on-its-sleeve, chest-bursting album that sounds like it has been made by two halves of the same person... the result is a touching blend of raw emotion and sweet vocal harmonies that lifts Case's music to a new level of authenticity." Track listing "A Million Little Pieces" - 4:21 "So Long" - 4:20 "The Bullhead and the Bird" - 4:20 "Walk Away" - 3:39 "Hal" - 3:40 "Train Song" - 2:59 "Bobby Powers and the Lone Star Doughboy" - 2:29 "Hold Me and Keep Me" - 4:03 "Lucky Falling In Love" - 3:09 "Darkville" - 3:43 "Guitar Solo (and More) " The Bullhead and the Bird" - 1:47 "Out to Sea" - 4:43 "Deep Is the Ocean" - 4:08 "Is the Phone Line Out?
