## Unlock Code [BEST] Download Up Alcatel One Touch Pixi 3 Network

the first thing you will need to do is to choose the right unlocking service, as most services are only for one carrier and will not work for the other. there are some good services, like doctorsim, which do not need you to buy the carrier's unlock code. they have a database of all the phone imei numbers and which code is for which network provider. in this case, doctorsim will send a code to your email address. once the code is delivered to your email address, you can enter it on the doctorsim website and start the unlocking process. doctorsim will first check if your phone is locked, and if not, it will unlock it. you need to order your unlock code online or simply enter the unique code on the download page. to unlock your alcatel pixi 3, you just need to follow the instructions given by unlocky. you may also need to go back to the alcatel pixi 4 network and add your old sim as a new sim. by doing so, you will avoid entering the code when you unlock your phone, which will help your phone to reboot faster. now that you have unlocked your alcatel pixi 3 and have another sim in it, you need to remember to turn off the alcatel pixi 4 and add the old sim as a new sim. there are many alcatel pixi 3 owners that do that, and this is why you may find your alcatel pixi 3 in a locked state. if you don't want to enter the alcatel pixi 4 unlock code every time you switch the sim, you can simply use our acer unlock code list generator. no more waiting for the alcatel pixi 4 to unlock. with our acer unlock code generator, you can generate as many unlock codes as you want and automatically download them. then, you can access to the code without having to do anything else.
