
Renee File Protector 1.2 Serial Key With 96

double-space the manuscript text. start every sentence with a capital letter. in the initial page header section of the manuscript, please provide name, institution, and complete address for the corresponding author. please indicate the identification numbers assigned to each co-author in the "acknowledgments" section of the manuscript, not on page 1. all authors should sign the paper in one place on the paper "manuscript submitted to x journal." manuscripts accepted for publication in the neurology journals are published online first, with early release of final proofs (i.e., online prior to print publication). authors are responsible for providing a copyright form (available from: <http://nwnet.expovision.com/ciff/request-copyright-statement.php>)><http://nwnet.php>). please correct the following, however minor, errors and typos as soon as possible: use complete, correct names for all authors; spell-check all materials; provide telephone numbers and email addresses of all the authors; correct any obvious textual errors in the reference list; and ensure that all figures and tables are inserted in the correct locations. use the word count feature of word processing software to confirm that the number of pages is correct. (manuscripts can be double- or single-spaced and should adhere to the font style guidelines below. citations should be placed after the final page number.) if you wish, you may insert page numbers into the main body of the paper (but not in page headers). manuscripts submitted for pages 1-12 should use 10 points times new roman.
