Laiq Hussain Histology Book Pdf Free 40

This book consists of sections of the organs of human body. The various pictures of the tissues on pages of the book are accurately drawn and are very illustrative to the student. The microscopic images and colored pictures of the organs on the second and third section are really a triumph. The major disadvantage of this book is that it is probably written in the English language but the examples are given in the Latin language. Dr. Laiq Hussain Siddiqui is a renowned professor of anatomy who has vast experience of teaching. He graduated from Nishtar Medical College, Multan, in 1974 and obtained his M. Phil. (Anatomy) degree in 1979 from JPMC, Karachi. He started teaching at Nishtar Medical College, Multan, and was promoted to the rank of professor of anatomy in the same institution in 1987 and served in that position till 2011. He held the post of principal in the same college from January 2006 to November 2011. He was also awarded the fellowship of College of Physicians & Surgeons, Pakistan, in 2010. Presently, he is serving as professor of anatomy at Akhtar Saeed Medical & Dental College, Lahore. His other books in this discipline are General Anatomy and Human Embryology. The book is written in simple language with easy to understand diagrams. The study of anatomy is a difficult task to many students as the subject is very vast and detailed. Here we are discussing a step by step approach to the subject. Every chapter starts with a review of previous concepts, and presents the new concepts in an organized manner and easy to comprehend manner. 5ec8ef588b
