Star is born 2018 2018, one of the most impactful and critically acclaimed movies of the year, sees Bradley Cooper play a musician struggling with alcoholism and fading fame who helps a young singer get her big break. Also starring Lady Gaga, this unforgettable, heart-wrenching drama is directed by acclaimed director, Cooper. Reaching for the top.After the Galaxy Note 8, Samsung is gearing up for a Galaxy S8-series launch. The S8 is now official, with a full spec sheet and official images. The S8 and S8+ both come with a 5.8-inch and 6.2-inch display, respectively. Both the devices come with a Dual Rear Camera, but the S8+ is equipped with a dual-tone finish on the back. Samsung has already confirmed that the standard variant of the device will come in the Midnight Black finish, while the Midnight Blue variant is the option for the S8+. Talking about the display, both the devices have a 1440 x 2960 pixel resolution. They both come with an 18:9 aspect ratio, a Corning Gorilla Glass 5 protection. Samsung is claiming that both the devices have the best display in the industry, and that they are 90% more power efficient than the iPhone X. The S8 and S8+ also support dual-SIM cards, and will be powered by a 3.5mm headphone jack. Both the devices come with a USB Type-C port. The S8 will run on Android 7.1.1 Nougat, and the S8+ will be the first smartphone in the world to run on Android 8.0 Oreo. Apart from the Galaxy S8 and Galaxy S8+, Samsung also revealed that it will be launching three other devices in its stable. The Galaxy S8 Mini, Galaxy A8 (2018), and the Galaxy M20. The Samsung Galaxy M20 is a smartphone designed for the Indian market. While the Galaxy M20 will be equipped with a 3000mAh battery, and it will also have a 5.6-inch HD display. The Galaxy S8, Galaxy S8+ and the Galaxy M20 are all scheduled to be available in the first week of April in selected markets. While the Galaxy S8 and the f988f36e3a
