I ordered a bunch of stuff to take care of my acne and wanted to see if anyone has any suggestions for this sort of thing. I like the texture of the Bioré scrub and the green tea! What brands would you recommend? For face masks, I really like the various Schutz ones. They usually have facial mists in the summer. I usually look for good ingredients. Clove oil is great for helping to clear up breakouts and a light moisturizer. Also, I've been using an Amazonian Clay mask and a Witch Hazel mask to help with my spots. The clay masks really helped so far, but f988f36e3a
