Allen also attempted to explain what the results of the election means for the White House. Allen said that "Trump will be able to pursue a hard-charging agenda, including tax cuts, infrastructure investment and deregulation." He went on to claim that "the GOP has scored its first major legislative victory with the appointment of Neil Gorsuch to the Supreme Court." Allen concluded his article by stating that the White House is "so confident of victory...(Click to view) In an article about the so-called "Trump effect," Politico's Mike Allen wrote of how people who worked in the White House "under President Barack Obama celebrated President Trump's victory over Hillary Clinton on Wednesday night." Allen also attempted to explain what the results of the election means for the White House. "Under Obama, the White House was so concerned about getting re-elected," Allen said. "Losing Trump would have been devastating for a whole lot of people." Allen went on to claim that "Trump will be able to pursue a hard-charging agenda, including tax cuts, infrastructure investment and deregulation." He went on to claim that "the GOP has scored its first major legislative victory with the appointment of Neil Gorsuch to the Supreme Court." Allen concluded his article by stating that the White House is "so confident of victory...(Click to view) As the great Yogi Berra used to say: "This one is on the edge. They're going to need a friend today." The Steve Bannon-Trump-Kelly-Goschlo
